

Otsego Sailing Club

Instructional Sailing Program, '21

For the summer of 2021, the Otsego Sailing Club will be holding a modified schedule of summer sailing lessons.

First, we made the difficult decision to cancel our popular Opti Camp this year. Look for it to return next year at full strength.

To promote social distancing, we will offer classes for experienced youth sailors who can handle the sail-boat alone. As we will have very limited capacity and expect the spots to fill quickly.

For the Singlehanded Opti program, we will be offering one session consisting of 5 days to experienced sailors ages 8-12. Due to health and safety concerns, only children with prior experience who are comfortable sailing a boat on their own will be enrolled in this class.

For the Laser program, we are inviting experienced sailors ages 13-18 to participate in this program. Like the Opti program, only one student in the boat is permitted and because the Laser is a larger more powerful boat, this class is limited to older students.

If you would like to register your child please email treasurer@otsegosailingclub.com for a registration form.

Classes for Junior Sailors

Singlehanded Optis (ages 8-12): \$200 per student

>5 sessions running M-W-F-M-W from 8:30 to 11:30 am. July 5 – July 14. (Make-up day July 16).

Lasers (ages 13-18): \$225 per student

>5 sessions running M-W-F-M-W from 8:30 to 12:00 pm. July 5 – July 14. (Make-up day July 16).

If there is sufficient interest, an Introduction to Laser racing will be held July 19-21 (M-W). The first two days will be an introduction to sailing rules and tactics, followed by practice races on the third day. \$150

Adult Sailing Class

Adult sailing will be offered in a modified version. Since the instructor is on the boat with the participants, **only vaccinated adults** in the same family will be offered lessons.

>Sessions will run Monday – Wednesday – Friday from 6 pm to 8 pm. \$250 per student, \$400 for two.

***Private lessons are also available.
